Dear Parents and Guardians

Your child will start kindergarten in summer 2025 – an important event for the whole family.

You are probably already asking yourself:

- How can I prepare my child for this?
- How does the school system work in the canton of Zurich?
- How is a kindergarten morning designed?
- Are there offers in the city of Wetzikon that I can use with my children?

We invite you to this information event to prepare for your daughter's or son's entry into kindergarten. On a tour you will receive inputs on various topics and answers to your questions. Kindergarten teachers will explain the day-to-day teaching routine and experts will show you various offers that you can use in preparation. You can also get in touch with the school staff.

We look forward to getting to know you soon.
